

INVITATION TO BID

Separate sealed bids for construction of BEAVER COUNTY IMPERIAL AVE. CULVERT REPLACEMENT 2014 will be received by Beaver County from bidders.

Bids will be publicly opened and read aloud at 1:00 PM on February 12, 2014 at the County Clerk/Auditor PO Box 392, Beaver UT 84713.

The work to be performed under this project shall consist of furnishing all labor, materials and equipment required to construct the facilities and features called for by the CONTRACT DOCUMENTS and as shown on the DRAWINGS.

*The complete project includes the removal of (3) existing corrugated steel pipe culverts and replacing them with (4) new 78" corrugated galvanized steel pipe culverts. The new culvert system will include complete concrete headwalls, wingwalls, and aprons upstream and downstream of the culverts. The project includes earthwork and channel grading as required to accommodate new culverts. **Beaver County intends to perform all earthwork, removal of existing culverts, and installation of new culverts. Contractor will be responsible for construction of concrete end sections.***

This project is funded by Beaver County and the Permanent Community Impact Board (CIB).

Plans and specifications have been prepared by Sunrise Engineering, Inc. and will be available after January 28, 2014 at the Beaver County Administration Building, Office of the Clerk / Auditor, or from Sunrise Engineering at 25 E. 500 N. Fillmore, UT, telephone (435) 743-6151. They may also be obtained electronically at no cost from the Beaver County website. www.beaver.utah.gov and by clicking on the Bids / RFPs tab on the home page. The ENGINEER for this Contract will be Sunrise Engineering, Inc. and they will be represented by Jesse Ralphs, P.E. as Project Engineer.

A pre-bid tour will not be held for this project, although interested parties may call Cory Beebe at (435) 743-2679 to arrange for an individual site visit to the project site.

Bid bonds, payment, and performance bonds are not required for this project.
